Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

Examiner contacted Mr. Sitrick to discuss response to Notice of Non-Compliant Amendment received Jan 3, 2002 (certificate of mailing 10.23/2001). Examiner noted that copy of return-receipt marked post card indicated that Amendment mailed Sep 20, 2001 was received which is not disputed since the cited Notice cites such; however, the submission provided no evidence that a response complying with cited deficiency in Notice was mailed. Specifically, examiner noted that per the Notice, no response for marked up version of the specification changes was submitted. Based upon discussion, there was no proper response filed to Office action mailed June 15, 2001. Mr. Sitrick requested examiner enter amendments as an examiner amendment. Examiner amendments are provided for placing application in condition for allowance, such is not the case here.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)

i) ☒ It is not necessary for applicant to provide a separate record of the substance of the interview (if box is checked).

If a reply to the last Office action has already been filed, APPLICANT IS GIVEN ONE MONTH FROM THIS INTERVIEW DATE TO FILE A STATEMENT OF THE SUBSTANCE OF THE INTERVIEW.
